I. Read and passed the accounts of receipts and expenditure for the months of March, April and May 1910, audited by the Comptroller.

II. Read and passed the draft District Fund Administration Report of the district for the year 1909-10.

III. Read General and Revenue Secretary's docket No. 493, dated 20th July 1910, calling for the opinion of the District Board as to whether the mutsaddis in the Unions of Rampura, Holavanhalli and Tovinkere may not be retired on compensation gratuity, if suitable appointments cannot be found for them in the near future, and the papers connected therewith.

Resolution.—From the service registers of these mutsaddis it is seen that they are young men fit to be continued in service and their retirement on compensation gratuity will be a hardship to them. The Sub-Division Officers say that dafterbandi posts on Rs. 8 can be found for these men in another three or four months.

IV. Read Government Proceedings No. 1327-33—Med. 221-09-2 dated 8th August 1910, stating that needful action may be taken as regards the entertainment of a midwife at Huliyurdurga in consultation with the Board

Resolved that provision be made in the next year's budget for a midwife at Huliyurdurga.

V. Read Government Proceedings No. 1389-98—San. 199-09-4, dated 10th August 1910, requesting the Presidents of the Municipal and District Boards to favor with their opinions in consultation with the respective Boards as to the Sanitary Commissioner's proposals regarding the entertainment of volunteers on small monthly allowances in Unions and Municipalities with a view to train them as helpers of Health Officers, whenever these officers visit such villages on duty, and regarding the entertainment of a permanent disinfection staff consisting of three maistris and fifteen men, etc.

Resolution.—The Board consider that the Sanitary Commissioner's proposals involve an unnecessary increase of establishment, and that the existing arrangements are satisfactory and that there is no necessity for the entertainment of a special disinfection staff, as proposed by the Sanitary Commissioner. The entertainment of paid retainers would serve no useful purpose for, at the outbreak of an epidemic in a village, when their services would be required, they may not be found in the village at all. At present no difficulties have been experienced in regard to disinfection. The present permanent staff should be competent to carry on the duties in question and it should be open to the Boards to employ a staff of coolies when necessary.

VI. Read Government Proceedings No. 1780-7—Med. 12-10-5, dated the 22nd August 1910, calling for the opinion of the District Board about raising the local cess from one anna to two annas per rupee of main head of revenue.

Resolution.—The Board think that it would be a hardship to raise the local cess.

VII. Read General and Revenue Secretary's Memo No. 1550-8, dated the 15th August 1910, requesting that the opinion of the President may be furnished in consultation with the

Board *in re* Dasara Representative Assembly Subject No. 178 of 1909 in the matter of treating the men dispensing medicines in Vaidyasalas as Government servants.

Resolution.—The Board consider that the proposal is premature, as Vaidyasalas are still in an experimental stage.

VIII. Read Government Proceedings No. 2750-8—L. B. 52-09-12, dated the 19th September 1910, stating that the income of a Union may be wholly spent for the purposes of the Union, etc.

Resolution.—Resolved that the Orders contained in the Government Order be given effect to.

IX. Read Executive Engineer's docket No. 205, dated 6th September 1910, stating that the rates shown in the schedules sent last year hold good this year also.

Resolved that the schedule of rates referred to, be adopted in respect of public works that are to be carried out during the current year.

X. Read Executive Engineer's docket No. 215, dated 16th September 1910, requesting that the funds required for making good, damages done to Bidarammanagudi-Huliyar road may be granted from any other source, as the work has already been started.

Resolution.—As the work is stated to have been already started, funds required therefor, *viz*, Rs. 1,085 will have to be made available out of the sanctioned grants by a re-appropriation, if possible.

XI. Read Executive Engineer's docket No. 214, dated 14th September 1910, requesting that the subject of raising the mileage grant of Tiptur-Kodagihalli cart-track from Rs. 50 to 75 may be placed before the District Board as the present mileage allotment is not sufficient to keep the cart-track in order.

Resolution.—It is necessary that the present mileage allotment of the cart-track should be raised. Government may be addressed in the matter of raising the mileage allotment and of meeting the increased cost out of the sanctioned grants in the current year's budget, if possible, by a re-appropriation

XII. The Board propose that the Tumkur-Maddur road be taken on as a Provincial road in view of the heavy traffic on it. It is a continuation of the road from Pavagada to Tumkur which is Provincial.

XIII. Subject brought forward at the preliminary meeting of the Dasara Representative Assembly Members at Tumkur and referred to the Board that a road may be constructed from Maddagiri to Hindupur.

Resolution.—There are no funds now for this work, nor is there any likelihood of funds becoming available for some years to come. Under the present financial condition, the Board are unable to devote sufficient funds for the maintenance of existing roads. The construction of a new road like the one proposed is out of the question.

XIV. Read Gubbi Sub-Division Officer's No. 407, dated 7th June 1910, proposing that a cattle pound may be established at Settihalli in the Tiptur Taluk.

Resolution.—Approved.
